HOW IT WORKS

The Upat team is fully prepared to equip your business with the essential tools for success, including a diverse selection of high-quality Milwaukee Power Tools on affordable 36 month terms.

When you sign up for Ufleet, you'll experience a seamless and efficient process. Simply follow the straightforward steps outlined below to embark on your business journey to success with our comprehensive fleet management solution.

STEP 1:

Scan the QR code to download the Ufleet agreement or request one from your Business Development Specialist

STEP 2:

Check that you are able to provide the below documentation and requirements before completing the form.

Documents required from the client (deals under 250k ex Vat):

- Completed and signed credit application (Attached)
- Company registration document (CM or CK docs)
- Copy of I.D's for all Shareholders/Directors
- 3 months bank statements
- Quote/pro forma invoice

Financial requirements (over 250k ex Vat):

- Information requested above as well as:
- Latest Audited financial statements
- Management reports or Asset register (if possible)
- Debtors and creditors age analysis

STEP 3:

Submit your completed form and required documents to Ufleet@upat.co.za and our finance team will process your application and provide feedback on your approval.
